The Good Neighbor Policy enunciated by the government of the United States for its Latin American neighbors does not introduce a new thought, but only emphasizes anew God's injunction to the people of all times, "Love thy neighbor as thyself." The Good Neighbor policy, therefore, is one which must appeal with special force to Christian people everywhere.

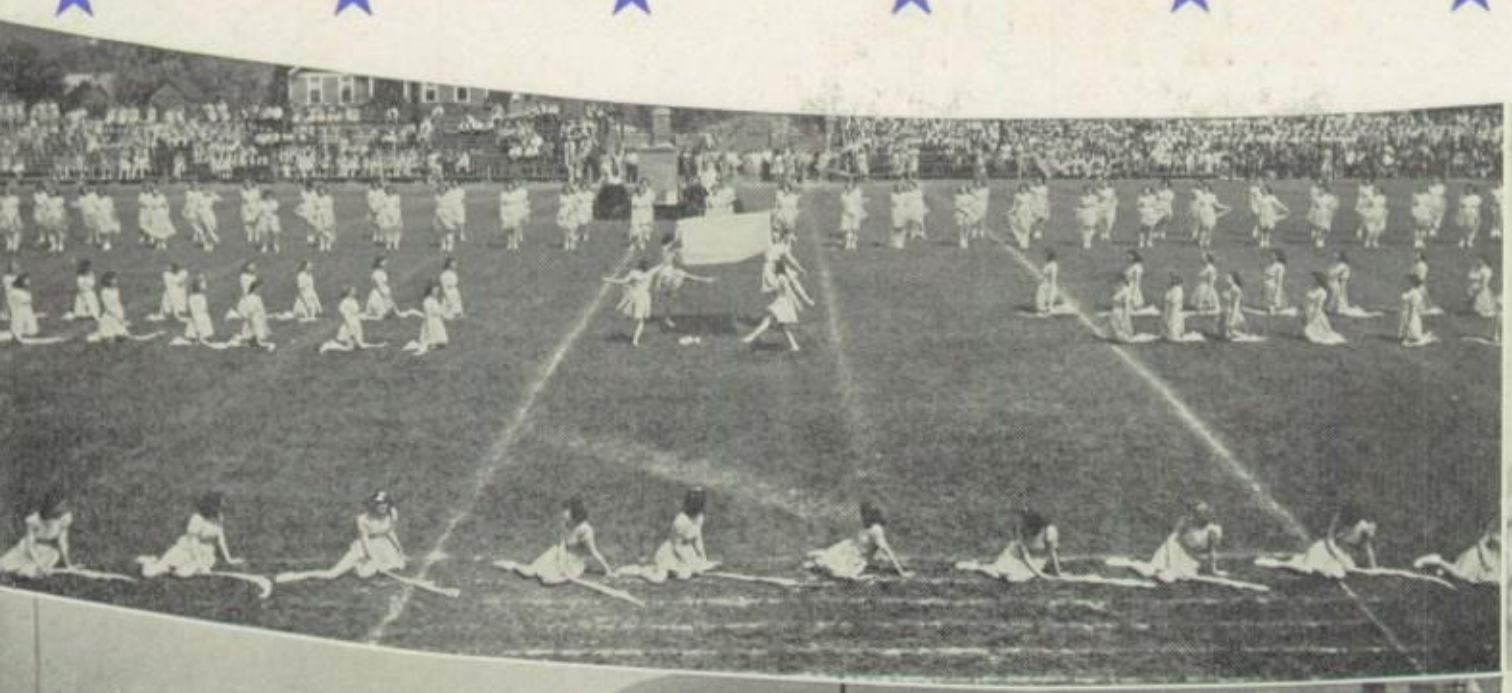
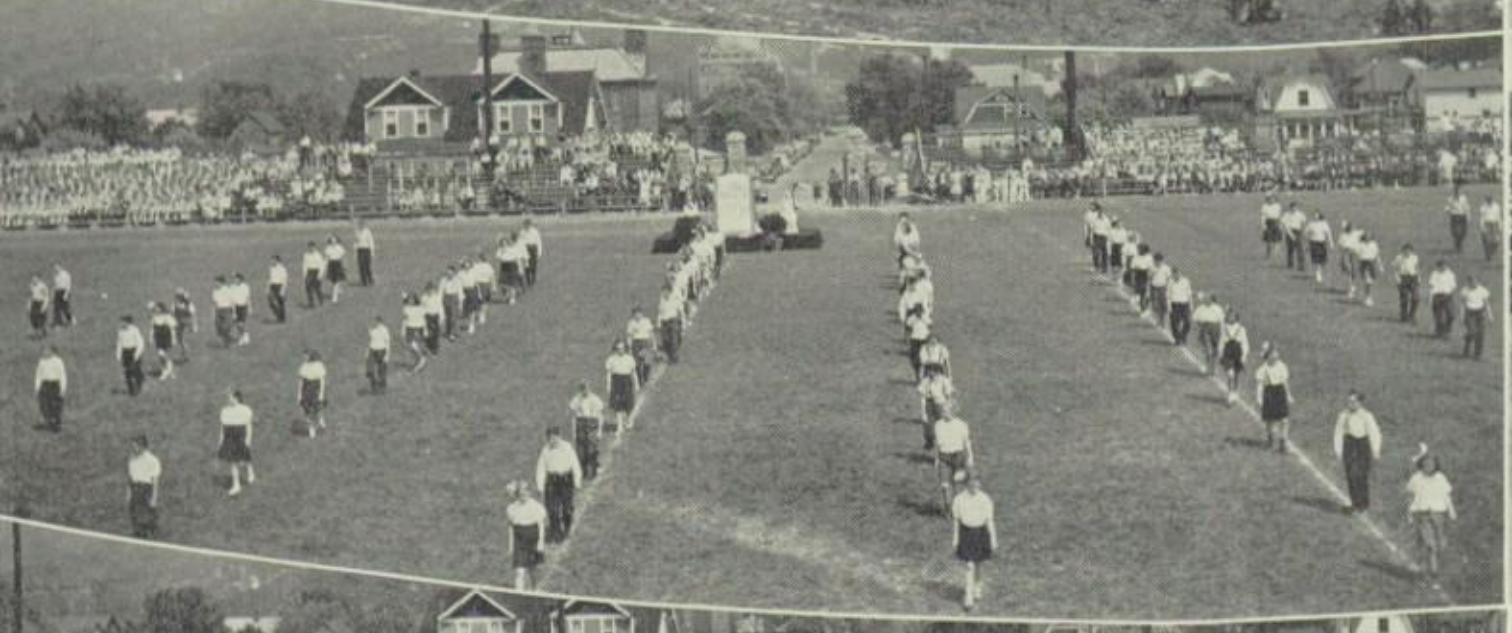
PLAY DAY





AT TYRONE

DEDICATION

To Miss Mary Julia Grafius, exponent extraordinary of the Good Neighbor Policy, and all that such a term implies, we, the Class of 1942, of the Tyrone High School, respectfully dedicate this yearbook. Of Miss Grafius, the following words of Henry Ward Beecher may be truthfully said:

We never know how much another loves until we know how much he, or she, is willing to endure and suffer for us; and it is the suffering element that measures love. The characters that are great, must, of necessity, be characters that shall be willing, patient, and strong to endure for others. To hold our nature in the willing service of others is the divine idea of manhood or womanhood.

A GOOD NEIGHBOR

In making a bequest of ten thousand dollars to the Tyrone Borough School District, Mrs. Ada Gray proved that she was, indeed, a Good Neighbor to the school. Public recognition of her good will was made by the school authorities when they unveiled the plate pictured to the right as a part of Field Day Exercises, May 27, 1941.

RED CROSS

The year 1941-42 was a very busy one for the Red Cross and its school affiliate, the Junior Red Cross.

The latter organization conducted its own membership campaign and soon after helped the parent organization to raise the fifty-million dollar war fund which it had set for itself.

Of the money allotted for Junior Red Cross work in the local schools, a portion was spent for clinical thermometers, bedding, materials for First Aid boxes, and glasses for needy children.

Girls from sewing classes assited at the Red Cross sewing center, and interested knitters from the entire student body contributed an afghan.

AT PLAY

When school employees turn to play, this play some times takes the form of a masquerade. At a Hallowe'en masquerade, the persons pictured to the right succeeded in concealing their identity. One of them is a member of the school board. Who are they? You may find their names by reading every square inch of this book very carefully.

ALMA MATER

Ours is a school to love,
Loyal by her we'll stand;
Mountains tower over her,
Solemn and grand;
Long may they reign above,
Those Alleghenies fair,
May they ever shelter thee,
Dear old Tyrone High!

When we grow old and gray,
Mem'ries will linger still;
Happy hours we've spent with thee
Their mission shall fulfill;
Life will be sweet and fair,
Joy will awake anew,
May we ever faithful be,
Dear Alma Mater true!

BAND ACTIVITY DURING YEAR

Parade and concert music for Moose Convention, held in Tyrone, June 17-18-19, 1941.

Armistice Day Parade, November 11, 1941.

Parades for Draftees.

Fifth Annual Blair County Band Festival, Roaring Spring, March 13, 1942. (twenty-eight members participating).

Joint concert with Rubinoff at Y. M. C. A., April 14, 1942.

Pennsylvania School Music Association Festivals at Clearfield, Pa., February 12-13-14, 1942. (four members participating) and at Blossburg, Pa., April 16-17-18, 1942.

First Annual Spring Concert, April.

Field Day, May.

Besides being a marching organization, the Tyrone High School Senior Band is of concert proportions, having added the following instruments: pair of tympani, baritone saxophone, bass clarinet, alto clarinet, oboe, and several percussion accessories.

The Band appreciates the generous support of the Band Mothers' Auxiliary and of the Athletic Board of Control for providing bus transportation when it was needed and in upkeep of uniforms.

Instead of the annual turkey banquet, the Band Mothers' Auxiliary gave each band member a dollar's worth of defense stamps, a covered dish supper, and a contribution toward the purchase of a new baritone horn.

HIGH SCHOOL STRING ORCHESTRA

DANCE ORCHESTRA

The year 1942 found our Dance Orchestra a very busy organization indeed. In a truly "good, neighborly" fashion this musical group played for all dances held after basketball games and wrestling meets, for class parties, assembly programs, plays, and community benefits. It even effected an exchange with neighboring schools for school dances.

This popular music-making group was sponsored by the fictitious Summy-Yummy-Tummy Gum Corporation in a hilarious and entertaining assembly program.

The group also appeared as a special stage attraction on the Wilson Theater Stage, February 26 and 27, 1942.

BOYS' GLEE CLUB

Every Monday evening after school, you hear music being sung by the Boys' Glee Club. The Glee Club is under the capable direction of Mr. Wolfgang. Many members of this organization belong also to the High School Band. Some Glee Club numbers were a part of the Christmas Broadcasting Program sponsored by Lugg and Edmonds' Store. Different assembly programs also featured music by this group.

First row: William Wolfgang, Allison Keller, James Wasson, Julia Gilbert (Pianist), Joseph Dickson, Walter Marthouse, Robert Skipper.

Second row: David Skelly, Charles Dickson, Zilian Rumberger, Mr. Wolfgang (Director), Elvin Rhodes, Edward Shollenberger, Allan Beyer.

MIXED CHORUS

The activity of the Mixed Chorus, a group which was organized two years ago, is a very interesting phase of school life. Formerly, the group was made up entirely of girls; now, however, the group is composed of forty-five boys and girls from the eleventh and twelfth grades under the capable direction of Miss Jean Barrett.

Tryouts were held to determine voices, and each member chosen promised to be present at all performances. The group assembled each school-day morning, during the first period, to rehearse their music.

School assemblies were the main occasions during the school year for which the chorus gave their services to others and credit to themselves. The Thanksgiving Program was the first activity of the chorus, with the singing of hymns showing those things for which we are thankful. For the Christmas Program, a play entitled "Christmas in Old England" was presented. This play dramatized and showed the customs of England. A most timely assembly was presented on March 10, in which the chorus helped in the singing of famous war songs. Starting with the Revolutionary War, and including World War II, those songs were used which have been most popular. Along with the other activities, the chorus presented a lovely Easter Program and a Spring Festival. As always, the chorus was a feature of the Graduation Exercises.

This year, seven members from the chorus were selected to represent Tyrone at the Central District Convention held at Bradford, Pennsylvania. The members were Julia Gilbert, Marietta Gray, Josephine Hannah, Mary Jayne Hitchings, Janet Hoover, Walter Marthouse, and Gerald Reese. From this group, Walter Marthouse was selected to represent Tyrone at the State Convention held at Coatesville, Pennsylvania.

This choral group is made up of good and willing workers who have labored to make the chorus a credit to the school, and who have certainly had a great deal of fun and success in doing so.

BETWEEN THE BOOK ENDS

Our library this year has been called upon to help in many ways. Not only has it served the pupils and teachers, but often it has supplied needed material for the residents of the town. The addition of many new books and magazines each year makes possible wider service.

Great emphasis today is being placed upon inter-American solidarity. The library became a guide in making available appropriate material in books, magazines, and encyclopedias, as the pupils read and wrote essays on the subject, "What Inter-American Co-operation Means to My Country." An essay contest on this subject was sponsored by the Inter-American Student Forum.

Books and magazines, which a library supplies, are powerful weapons in National Defense. Intelligent thinking and knowledge may well represent a sort of Civilian Army and Navy at work at home. The library force has encouraged every school member to use these weapons.

Our school librarians helped in the task of sorting and repairing the books for the Victory Book Campaign. With our country at war, the library felt that it must not only make available valid information of current facts and events, but also help to relieve the strain of war by maintaining a good supply of recreational reading for the boys and girls.

The library has a collection of books and pamphlets about jobs. Careers in fiction are popular. They are a new type of adventure novel. The more informative ones give a lively but true picture of a particular kind of work and the necessary background for that work. They are very readable stories about attractive, active, you-or-I young men and women.

The librarian is assisted in her work by a small staff of senior high pupils. The assistants put books away, check the attendance, take care of the library while the librarian is absent, and check books in and out. This activity enables the pupils to become acquainted with the work of a librarian as well as with a large number of books.

During the last two years, teachers of the Logan School, notably Misses Piper and Barr, assisted the high school librarian, Miss Couch, to catalogue nearly a thousand books for the Logan School library. This work, done after school hours and on Saturday, is strictly in accord with the standard Dewey Decimal System.

A large room on the second floor of Logan Building has been equipped with shelf space, reading tables, and chairs. The Logan P. T. A. made possible the folding chairs in use. Teachers, in turn, serve as librarians.

THE SPOKESMAN

Thirty years ago, the Tyrone Spokesman, then a small magazine, was published for the first time. It was created *for* the students and *by* the students of Tyrone High School as a record of all the activities and events of the school. This first purpose of the Spokesman has remained its main purpose even until the present time.

The Spokesman strove especially hard in the past year to support all school activities, such as the Senior Play, the Freshman Play, the Holly Hop, the Bunny Hop, the Prom, and all other high school activities, not overlooking athletic activities.

This year the Staff succeeded in increasing its circulation to four hundred twenty subscriptions. This number included a grade school circulation of one hundred subscriptions, a new circulation which was built up in the past year.

The reorganization of the staff this year made possible an executive board. This board was made up of the editors and managers of the paper who met to decide upon the dates of publication and other business involved in the publication of the paper.

Complete responsibility for the paper was made to rest for the first time upon the editors. This produced a realization of the importance of dependability in each member and also the need for pride in a piece of work well done. Thus, the editors strove harder as individuals to meet this added challenge.

A news picture page, the Roto section, was an added feature to the Spokesman this year. This section was furnished by the Pennsylvania Scholastic Press Association to the members of this organization. Photographs showing views and activities of each school are submitted to this association by the various member schools. No pictures, however, have been submitted from Tyrone as yet; consequently, camera fiends of T. H. S. are encouraged to submit pictures for the Roto section. Prizes are offered for the best pictures.

This year, for the first time, there were two editors for the Spokesman, namely, La Rue Kennedy, who was associate editor formerly, and Frances Glass, former feature editor. Richard Mowry served his fourth year as sports editor, and Jack Shell was feature editor. A former reporter, Janet Hoover, was junior high editor. Walter McKinney was advertising manager; William Kanour was business manager.

These staff members, with Lester Ike, who was in charge of circulation, comprised the executive board. Miss Leora Billingsley, of the Commercial Department, was faculty -adviser.

THE FALCON

When faced with the problem of choosing a theme for the 1942 Falcon, the Staff decided to keep in tune with the times and use the Good Neighbor Policy as the basic idea for the yearbook. Bright South American colors were chosen, blue and orange predominating. Then the photographers and the Art Staff set to work on the many snaps and drawings found through the book. Nancy Musser, of the Art Staff, designed the cover, which could not be a padded cover on account of the increased cost of materials. John Lennous, a member of the senior class, did the art work for the division pages, each of which is dedicated to one of our friendly neighbors.

The 1942 Falcon was dedicated to Miss Mary Julia Grafius, a friend of all Tyrone High students. The senior class was very glad to dedicate their yearbook to Miss Grafius, thereby repaying, in a small way, the years of service she gave to the students of Tyrone High School, both as a teacher and as the Junior Class Dean. The Staff also felt very proud to give special recognition to the boys from our school who left to join Uncle Sam's forces. As a compliment from his class, each enlisted senior was presented with a copy of the 1942 Falcon.

The Falcon Staff joined the Spokesman Staff in making welcome the delegates to the Pennsylvania School Press Association Convention, which was held in Tyrone on December 5, 1941. At this convention the different schools exchanged ideas and discussed the problems of the publication staffs. After the business meeting, the delegates spent the remainder of the evening dancing in the school gym.

CAST OF CHARACTERS FOR "AMERICAN PASSPORT"

Kathleen Bratton, Sybil Jennings; Morty Templeton, Dick Hamilton; Betty Bush, Mrs. Schwartz; Thelma Cook, Prompter; Genevieve Engelman, Louella Hamilton; Walter McKinney, Edward Hamilton; Mary Jane Haag, Bertha Hamilton; Agnes Jackson, Aunt Jen; Julia Gilbert, Judy Hamilton; James Wooden, Bill Wilson.

AMERICAN PASSPORT

Rehearsals for the three-act comedy, "American Passport," by Dana Thomas, were started in early November and progressed under the clever direction of Miss Dorothy Crawford. The play was presented in the Y. M. C. A. Auditorium, on the evening of January 19, 1942.

Julia Gilbert and Morty Templeton played the parts of two fanatical Leftists, who were trying to unite the youth of the country and to reorganize the Government. Walter McKinney was the complacent American father who, like Rip Van Winkle, found that he had been napping for twenty years, but who finally woke up to save his children from becoming traitors. Genevieve Engelman enacted the role of the mischievous twelve-year-old, whose funny antics kept the audience chuckling from start to finish. Kathleen Bratton and James Wooden were friends of the family who were trying to lead the two Hamilton children away from fanatical beliefs. Mary Jane Haag was the average American mother who was led astray by her children's teachings. Betty Bush had the comedy role of the one-hundred-per-cent American neighbor. Jack Schell, Mr. Hamilton's employer, caused the "worm to turn" by firing Mr. Hamilton and accusing him of being a Fifth Columnist. Agnes Jackson portrayed the rich old aunt who controlled the family because of the big bank account.

This play is woven from the fabric of today's problems and today's challenges, touching on profound questions facing America, yet it is bound together with delightful, heart-warming laughter and the dry humor of everyday American life.

DRAMATICS

(continued)

In order to augment the Auditorium Fund, two one-act plays were presented in the school auditorium on March 26, 1942. An all-faculty cast presented one play; an all student class, the other. Both plays received the capable direction of Miss Sair Mac Dowell.

"The Florist Shop," by Hawridge, was the play assigned the faculty, as follows: Maude, Mrs. Gates; Henry, the shop office boy, Mr. Kerr; Mr. Slovsky, the proprietor, Mr. Wolfgang; Miss Wells, timid spinster, Miss Myers; Mr. Jackson, Mr. Zeitler.

The student presentation was "The Valiant," with the following cast: Warden Holt, Elvin Rhodes; Father Daly, Lawrence Thomas; James Dyke, Norman Stryker; Josephine Paris, Melissa Little; Dan, Dominic De Mario; attendant, Dan Meckes.

The dramatic presentation of the Ninth Grade for the year 1942 was "Going On Seventeen," a delightful comedy by Hilda Manning. The performances, one, a matinee on March 5, and the other, an evening performance on March 6, were a credit to the cast and their coach Miss Marie Myers. The cast for this production was as follows: Buddy Carhart, Paul Wallace; Elsa, Betty Lou Johnson; Florence, Shirley Miller; Mrs. Carhart, Isobel Daniels; Mr. Carhart, Cecil Snyder; Joan Lansing, Julia Kost; "Lillums," Mary Alice Harpster; Craig Vincent, Renwick Jackson; Tom Williams, Robert Skipper; Shrimpie, James Zerbe; Paul, Mark Givler; Helen, Marian Krider; Agnes, Margaret Daugherty; Doris, Beverly Batcheler.

CAMERA CLUB

This year the Tyrone High School Camera Club has been more active than in previous years. The club's president was Mary Jane Haag, with Lenore Spanelli as secretary-treasurer. There were fifteen active members in the club. The club held its meetings on the first and third Thursday of each month, in the High School laboratory.

The club lost two of its most active members during the year; namely, Dale Edmondson and Ted Cowher, who left to serve their country in the United States Armed Forces. These two boys were also very active outside of the club, because photography was the favorite hobby of each boy.

The members were very busy with their many activities, such as taking snapshots, developing, enlarging, and printing them. Some of the candid snaps which were taken in and about the high school of the faculty, student activities, and vocational shop were used in the Falcon this year.

The Camera Club has all Argus equipment, which includes an Argus camera, enlarger, a dryer, a sunshade, two squiegie plates, and portable lights. The camera was passed from one member to another in order to take those pictures that each member thought would make nice snapshots for the Falcon. Taking pictures indoors with a flash bulb was popular among the members.

The club was under the direction of Mr. Vernon Zeitler, teacher of chemistry and physics. During his college years, Mr. Zeitler was editor of his college yearbook. He also was very active in the photography that was put in the book. This is Mr. Zeitler's first year in the Tyrone High School, and he has proved to be very successful with the Camera Club and with the many other activities which he leads.

Mr. Vernon Zeitler, teacher of chemistry, physics, and related science, guided the Camera Club through the intricacies of picture taking and picture making.

Mr. Willard Kerr, teacher of geography, conducted an active and profitable sales campaign of Falcons in the Seventh Grade. In the accompanying snapshot, you see these young men picnicking.

Safeguarding life anywhere and everywhere is just one more "good, neighborly act." The Tyrone Schools have long been busy patroling areas of greatest danger to our school population. For Junior-Senior High School pupils, the danger area lies between Thirteenth and Fourteenth Streets on Lincoln Avenue. Our High School Patrol closes this area to traffic immediately before and after each school session.

Similarly, Junior Patrols function for each of the elementary schools; namely, Logan, Adams, and Washington.

This year Miss Mac Dowell, with the help of some junior girls, has been very active selling candy in order to finance a trip somewhere for this worthy group.

The members of the High School Patrols are Richard Schopp, Walter Marthouse, Allen Beyer, Joe Lombardo, Edward Shollenberger, and James Turiano.

ART CLUB WORK

Members of the two art clubs have proved that they can be "good neighbors" to their fellow school groups and have a good time doing so.

Such work as posters for school events, programs, favors, stage scenery, etc., are examples of work done for others; objects such as plaster wall plaques, baskets, textile designing, printing, wood carving and decorating, Silk Screen Process work, Air Brush work, etc., are some of the examples of work done by individuals for themselves.

Their activities are confined to those projects which can not be carried out in class.

The Junior Art Club personnel is determined by means of tryouts. After a membership of two years, one of which is the ninth grade year, the club member is given a small letter.

Membership in the Senior Art Club is open to all senior high pupils interested in art. A large letter is given to the member remaining with the club two years.

PICNICKING

One of the most active clubs in the Tyrone High School during the school year of 1941-42 has been the Future Craftsmen's Club. Like a "good neighbor," it worked not only for itself but also for others. By means of its canteen, it raised money enough to finance a large state-wide convention of Craftsmen, here in Tyrone. Souvenirs, prizes, entertainment, banquet, etc., were among the items that were financed solely from the treasury of the local club. Playing host to a visiting aggregation of two hundred craftsmen, for a period of two days, was no small achievement. It was one of which our local group may well be proud.

These vocational boys belonging to the Future Craftsmen's Club are contributing to the war effort not only by giving themselves a kind of training much needed by Uncle Sam now, but also by offering to help produce the 500,000 model airplanes which are to be used in training classes for the Army and Navy, by Civilian Defense air raid spotters, and in other ways. The models, provided by the Navy, include not only American planes, but enemy planes as well, and number as many as one hundred different models.

The Future Craftsmen's Club met in Room 208, on alternate Wednesday evenings. For the local group, Francis Rossman served as president, and Charles Clark, as secretary-treasurer. Jack Thompson served as state president; Mr. Alexander, as state secretary; and Mr. Judge, as state adult adviser.

After a lapse of one year, the Commercial Club was reorganized early in the school year. Because of Miss Leora Billingsley's many other duties, she was forced to resign from her former position as club adviser. Mr. and Mrs. Wilbur Hibbard were the club advisers for the year.

The members of the club decided to name their organization the B-I-Bi, meaning Better Interests in Business. This name was submitted by Anna Jane Simondale and Helen Brisbin.

It was the purpose of the club to create interest among the commercial students in the commercial field. The club strove to improve their own personalities by means of social events which they planned throughout the year. Personal grooming was discussed by the club members at various meetings. Manners, to be practiced at the office and at social gatherings, were taught.

The club held a skating party at Bland's Park, on March 2. All arrangements for this party were handled by the students. This was a test to show honesty, loyalty, and accuracy, and each member proved himself worthy of responsibilities. The management of the park congratulated the club on the behavior and faithfulness of this organization.

The members of the club were instructed on different phases of the Civil Service Examinations and the opportunities the government has to offer. The club members discovered that there is a place for every good and enthusiastic commercial pupil. The field of commercial work is not over-crowded, especially now, in the present world crisis.

At the opening of the school term, meetings were held every other Tuesday, after school, in Room 207. Later on in the year, the commercial students found themselves too busy to hold worthwhile meetings at that time, so it was decided that the meetings be held at the same place on the same day, only during the lunch hour. This proved to be very successful, and each meeting was enjoyed.

First row: Marion Rightnour, Roberta Nearhoof, Dorothy Calderwood, Nunzie Del Baggio, Mary Celmo, Myrtle Lykens, Vivian Givler, Janet Harpster.
Second row: Charlotte Burkett, Miriam McCahan, Anna Jane Simondale, Marjorie Snyder, Alice Riggleman, Dorothy Duey, Marilouise Cox, Betty Dickson, Frances Mastropaolo.

FOOTBALL

OSCEOLA MILLS—September 5 (Home) 33-0

Playing in a heavy and continuous downpour of rain, Tyrone High School opened its 1941 football season under the lights at Gray Memorial Field with an impressive 33 to 0 win over a light, but fast, Blue and White Indian Squad. Bob Beckwith had the honor of scoring the first touchdown of the season. About midway in the second quarter, Ralph Thomas took the pass from center, swung around his right end, eluded a swarm of would-be-tacklers, and galloped 52 yards to score.

MOUNT UNION—September 11 (Away) 6-0

By virtue of Lee Port's third quarter touchdown via the blocked punt method, Coach Jacobs' Eagle Squad was able to extend its winning streak to twenty-four consecutive victories. Failing to gain after receiving Thomas' quick kick on their own 16-yard line, the Trojans elected to punt, but Anderson's attempt was blocked by the whole left side of the Tyrone line. Port, standing on the goal line, caught the pigskin and stepped across for the margin of victory. The Trojans, after receiving the Eagle kickoff, drove from their own 32-yard line to the Tyrone 6-yard line before being halted.

BELLWOOD-ANTIS—September 19 (Home) 18-7

A surprisingly strong and determined Bellwood-Antis aggregation invaded Gray Field to give the Eagles a well-earned victory for the evening. Although holding the upper hand throughout the game, the Eagles managed to score only three goal-crossings, the first score coming after a costly fumble by the visitors in the first period, and Parker wound this up with a 25-yard gallop to pay dirt. The Blue and Gold Gridders scored their touchdown in the final period against the Orange Reserves, the first ever made by one of their squads against a Tyrone team.

HUNTINGDON—September 26 (Home) 20-6

In what was their best performance of the season thus far, Tyrone's gridiron eleven cashed in on the second and third quarters to score their twenty-sixth straight triumph. It was Port's pass interception on the Bearcat 30-yard line early in the second quarter that started Coach Jacobs' 11-man machine to rolling. From this point on, the Eagles were superior to the visitors, and only in the last period did the Bearcat Squad score against the Eagle Reserves.

JERSEY SHORE—October 3 (Away) 16-0

Tyrone invaded foreign soil for the second time in the season and came home victorious after trimming the Bulldogs 16-0. Two touchdowns and two safeties marked the evening's scoring. Portonova's recovery behind his own goal line of his teammates' fumble in the second quarter, and a blocked punt in the third quarter, gave the Eagles their two safeties. The first touchdown came by means of a 35-yard gallop by Thomas, and the final score was made on a pass from Parker to R. Foust.

MORRIS TOWNSHIP—October 10 (Home) 26-0

Following a nip and tuck first quarter, Tyrone clicked twice in each of the second and fourth periods to turn the tables on a lighter Morris Township football eleven. Tyrone had things their own way throughout the game, the Eagles scoring 14 first downs and 330 yards gained from scrimmage as against 2 first downs and 46 yards for the invaders. The win gave the Orange machine its twenty-eighth straight victory.

PHILIPSBURG—October 17 (Home) 7-0

Since the beginning of the season, sports fans were preparing to witness this forecast, and the largest crowd in the history of Gray Field turned out to see the Eagles score an early, first-period touchdown for their margin of victory over a heavier and strong Mountaineer Squad. The score was made on a triple reverse play, Noel to Parker to Thomas, with Ralph doing the scoring. From this point on, the game became a battle-royal. P-Burg never came beyond the Orange 25-yard line, while the Eagles drove from their own 36-yard line to the Blue and White 10-yard line, only to have the whistle blown before they had a chance to score in the final quarter. R. Foust's brilliant performance marked him as the evening's outstanding player. The Eagle victory streak had now reached twenty-nine consecutive wins.

CLEARFIELD—October 24 (Home) 0-6

"Once a jinx, always a jinx" would fit the Clearfield gridiron aggregation, for it was back there on September 15, 1939, that the Bisons scored an upset victory over the Eagles. From that time on, the Eagles continued to win twenty-nine straight contests. However, the Bisons were ready for this battle and came through with a 6-0 win. A pass in the third period, intended for Edmiston, missed its mark, but fell into the hands of McCoy, who raced the remaining distance to the pay dirt. The Eagles threatened to score in the second period when they marched from their 23-yard line to the Bison 4-yard line, but a pass at this point fell into enemy hands.

STATE COLLEGE—October 31 (Home) 39-0

Recovering from their defeat of the week before, and relieved of the terrific strain of a victory string, the Eagles opened up to completely outclass a weak, State College eleven in a sea of mud. Parker was outstanding in this battle. "Ace" scored a few minutes after the opening whistle on a 53-yard gallop, again in the same quarter, and he scored his *third* touchdown on a second 53-yard run in the third period. Fine blocking and tackling highlighted the game throughout.

BEDFORD—November 7 (Away) 20-0

A first-half rally gave the Eagles their victory over a scrappy Bedford High School Team on the latter's field. A 52-yard sprint by Thomas, late in the first quarter, set up the first touchdown on the Bedford 4-yard line. Beckwith made possible the second score when he intercepted a Bedford pass on his own 44-yard line and raced down the field for 52 yards before being run out of bounds on the 4-yard line. A blocked punt set up the Eagles' third score. Tyrone, as in previous encounters, was complete master of the evening.

HOLLIDAYSBURG—November 11 (Away) 20-7

Journeying to the county seat for the final game of the season, the Eagles wound up another successful season under Coaches Jacobs and Eckert by felling the H-Burg Tigers in their annual Thanksgiving Day encounter. As usual, spirits were high, thus furnishing plenty of hard, but clean playing. The Eagles hung up scores in all but the second period, while the Tigers managed to register a touchdown late in the final period against the second and third stringers. The win enabled Tyrone to capture the P. I. A. A. western football conference title for the *second consecutive season.*

THE LEVINE AWARD

In a manner truly characteristic of a Tyrone High School football team, the 1941 Eagle gridiron aggregation voted as the most valuable person to their successful season, Mr. Harold Eckert, assistant coach of the varsity squad for the past three seasons.

This year's award, a large black blanket with an orange border and a large orange "T" decorating the center, was given to Coach "Dutch" Eckert on the basis of his untiring and splendid work in behalf of the squad.

Under the guidance of Coaches Jacobs and Eckert, Tyrone again captured the P. I. A. A. Western Football Conference and tied for first-place honors with Clearfield and Philipsburg in the Bald Eagle League Conference.

CHEERLEADERS

A group of six girls of Tyrone High School carried on the job of providing and leading cheers for the 1941-42 sports year. Tyrone's Orange and Black all-girl cheering team united Tyrone sports fans at varsity football and basketball games, while the Jay-Vee cheerleaders conducted yells at junior varsity football contests.

With Louise Snyder as head cheerleader, Christine Bowser, Carol Elder, Mildred Krider, and Anna Mae Thal made up the varsity group. Due to a regular member's absence shortly after the beginning of school in the fall, the Jay-Vee members alternated at filling this position. The junior cheering squad consisted of Helen Shildt, Helen Tate, and Marjorie Williams.

Graduation will take the first two mentioned above, leaving three varsity members for next year's cheering six.

VARSITY BASKETBALL TEAM

HOLLIDAYSBURG—January 6 (Away) 12-34

In their initial Mountain League game of the season, Tyrone's basketball quintet lost to a superior Hollidaysburg team on the latter's floor. During the entire fray, the Eagle basketteers were able to penetrate the Tiger defense only four times. The first half ended with Tyrone trailing 14 to 3.

LEWISTOWN—January 9 (Home) 17-24

Tight defensive playing and fine shooting on the part of the visiting Lewistown High basketball team were all that were needed to hand the Golden Eagles their second straight league setback. With Harpster, veteran Panther captain, collecting a grand total of 15 points, Tyrone was unable to succeed in scoring an upset.

PHILIPSBURG—January 16 (Home) 18-23

Tyrone received its second stinging defeat on the home floor when a spirited Mountaineer quintet hung up ten field goals to the Eagles' seven, to win by a 23-18 score. The Eagles lost the game through their failure to convert foul shots, Tyrone ringing up only four single points out of nineteen tries from the foul line.

MOUNT UNION—January 23 (Home) 22-23

A desperate, fourth-period rally fell short as the Eagles dropped a thrilling 23-22 contest to the Trojans on the Lincoln Courts. Trailing at the half 16-9, the Orange basketteers went on a scoring spree, putting the game in a deadlock a few minutes before the final whistle. In their anxiety to get the ball, the Eagles fouled excessively, thereby enabling the visitors to win by a one-point margin via the foul lane.

HUNTINGDON—January 30 (Away) 24-46

Journeying into the Mountain League leaders' den turned out to be Tyrone's mistake, as the Bearcat Squad handed the Eagles another reversal. The first half was a nip and tuck affair with the home team holding the edge. However, the Eagles drew up to within three points of the victors about midway in the third quarter, the score at one time being 17-14. From this point on, the Bearcats were too much for the Orangemen to handle.

HOLLIDAYSBURG—February 3 (Home) 16-29

Roughness featured the second game of the season between the Eagles and Tigers as the Orangemen came out on the short end of the score. The Eagles were outscored in all quarters except the final period, in which they held a two-point edge. Coach Jacob's squad had twenty-one personal fouls called against them, with Metzlar having eleven free tries.

LEWISTOWN—February 6 (Away) 36-49

The Eagles' losing jinx traveled to Lewistown with the squad as the Panthers again turned back the Tyrone quintet. In winning, the home five marked the season's highest league score thus far, while the Orangemen turned in their best offensive record. Bob Beckwith's fourteen points registered Tyrone's best individual scoring record.

PHILIPSBURG—February 13 (Away) 33-43

A journey over the mountain failed to give the league cellar-holders any consolation, as they were again fastened to the losing end. Thomas was Tyrone's high scorer, with a total of thirteen points, but the Eagles' one high scorer was insufficient to match the Mountaineers' three high-point makers, who hung up among themselves a total of thirty-eight points.

MOUNT UNION—February 20 (Away) 44-48

Failure on the part of the Orangemen to check the Trojans' Cholewinski resulted in their ninth, consecutive, league setback as the Mount Union star ran wild in the first half to sink six field goals and four fouls. Two more field goals in the second half gave him the evening's total of twenty points. Parker was Tyrone's high scorer with fifteen points, while Fisher and Beckwith each collected ten.

HUNTINGDON—February 27 (Home) 25-42

One of the most unsuccessful basketball seasons in Tyrone High School history came to a close on the home courts as the Eagles bowed in the second half to Huntingdon High's Bearcats. The first half ended with the score standing at 11-11, but the Meloymen "turned on the heat" in the final half to pull far ahead of the Eagles. This defeat marked the tenth straight league loss for the Orange squad without a single win, and put them in the last place position in the Mountain League standings.

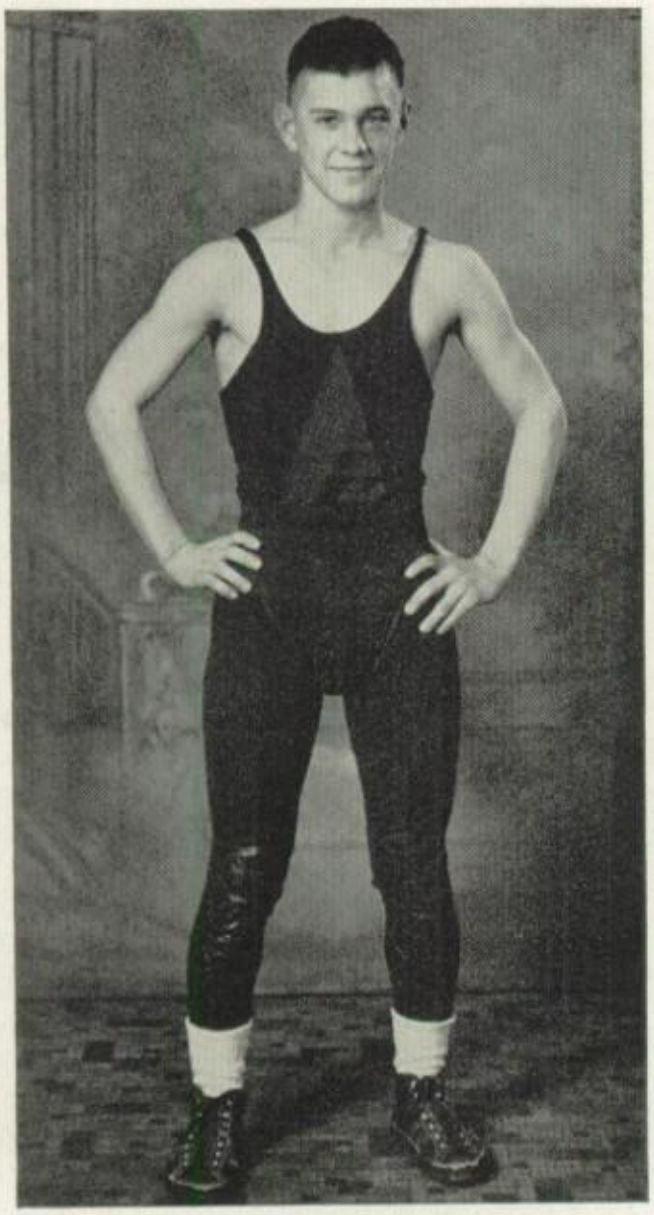
Tyrone's "Little Orangemen" basketball team captured the Junior Varsity Mountain League Basketball Championship for the second consecutive year.

In the junior circuit, Coach Harold Eckert's squad ended the league season with seven wins and three losses. Lewistown was the season's runner-up, with six triumphs and four defeats.

This year marked the second year in which Harold Eckert has coached Tyrone junior varsity quintets. During these two seasons, his teams have won the Mountain League Title twice, and the Eagle juniors tied for the first-place position once. This tie occurred in 1940 when the Philipsburg and Tyrone junior varsities were deadlocked at the end of the season for championship honors.

During the seventeen-game season, the Eaglets were victorious in thirteen encounters, while dropping only four games to four different teams, no opponent defeating the Eckertmen more than once.

Another feat credited to Coach Eckert and his squad is the fact that Tyrone's young basketteers have not been defeated on the Lincoln Gym courts in two successive years.



BERNARD MINGLE

BERNARD MINGLE

Bernard Mingle, experienced and scrappy 112-lb. wrestler, honored both Tyrone High School and himself this year with his excellent showmanship in the field of wrestling by winning the District's 6-9 Title in his respective weight class.

Mingle, who was a veteran from last year's squad, won all nine of his bouts during the regular season. He scored three falls and won six bouts by decisions. In so doing, he garnered thirty-three points toward his team's totals.

At the District 6-9 Tournament held at State College, on February 28, "Bernie" pinned Shimmel, of Philipsburg, in one minute, thirty-seven seconds of the first period. In the semi-finals, he won by a decision over Johnson, of State College, by a score of 8-2. In the finals, Mingle won by a decision over Beers, of Clearfield, winning for himself the District 6-9 Title.

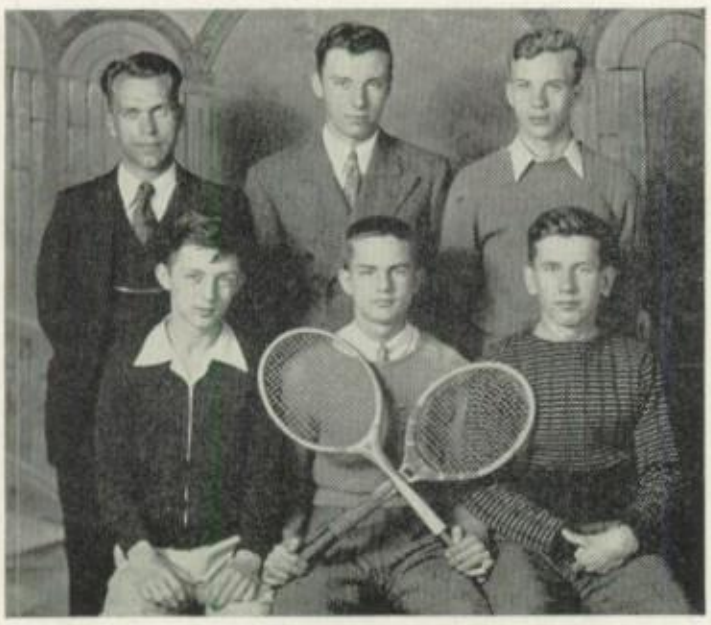
WRESTLING TEAM

Tyrone's wrestling squad opened its fourth year of interscholastic competition under the coaching of Carl Shollenberger by easily defeating an inexperienced Curwensville team 28-13 on the latter's mats on December 19 . . . On January 9, the Eagles invaded Lock Haven. After ten of the eleven bouts had been ended, the score stood at a 20-20 draw. Excitement ran wild as Don Cowher scored a fall in the third period with a half-nelson and body hold over his opponent, Nicholson, to give Tyrone a 25-20 victory over the strong Haven squad . . . Curwensville journeyed to Tyrone, on January 2, to meet the Eagles for the second time. Tyrone won by a 27-0 score . . . At Lewistown, on January 16, the Eagles found little trouble in defeating the Panthers by a 37-6 score. "Mousie" Shildt pinned his opponent in fifty-six seconds of the first period . . . For the fourth time, the Orange "grapplers" traveled from home mats, journeying to Philipsburg, on January 23. A surprisingly rugged Mountaineer Squad nearly turned the tables on the Eagles, but a draw in the final bout brought the meet to a tie at 17-17 . . . Coach Shollenberger's squad had little trouble, on February 6, in pinning a weak Bedford High Team on the local mats by a 34-3 win. Tyrone won in ten of the eleven bouts . . . Lewistown proved no more difficult, on February 13, than in her first encounter with Tyrone, as the Orangemen ran an all-season high in scoring a 39-5 defeat against the Panthers . . . In their return meet with Philipsburg, which was held in the Lincoln Gym, on February 20, the Eagles gained revenge for the meet that ended in a draw on the Mountaineer mats. Tyrone scored a decisive 23-13 victory over the visitors . . . Two undefeated teams came face to face when the Eagles closed their season, on February 27, at Clearfield. Wrestling before a highly partisan, capacity crowd, the Eagles fell before Clearfield's capable "grapplers," 23-16, making it thirty-nine consecutive wins for the Bisons. Of the first six bouts, Tyrone won four, and following the sixth bout, the Eagles led by a 16-10 margin. From that point on, the Orangemen failed to win . . . In the Districts 6-9 Tournaments held at State College, on February 27-28, Tyrone placed seven boys in the semi-finals, three of these reaching the finals. and one. Mingle, winning the District 6-9 Title in the 112-lb. class. "Bernie" was defeated in the preliminaries for the State title.



First row: Norman Stryker, John Andrew, Robert Keatley.
Second row: Mr. Shollenberger (Coach), John Pownall, Leonard Fouss.

TENNIS

Tyrone High School, for the first time in its history, organized a tennis team in the 1941 spring season. Carl Shollenberger was appointed coach of the team. Chosen as captain of the Eagle Racket Club was Bob Keatley, while John Andrew, Leonard Fouss, John Pownall, and Norman Stryker formed the remainder of the team.

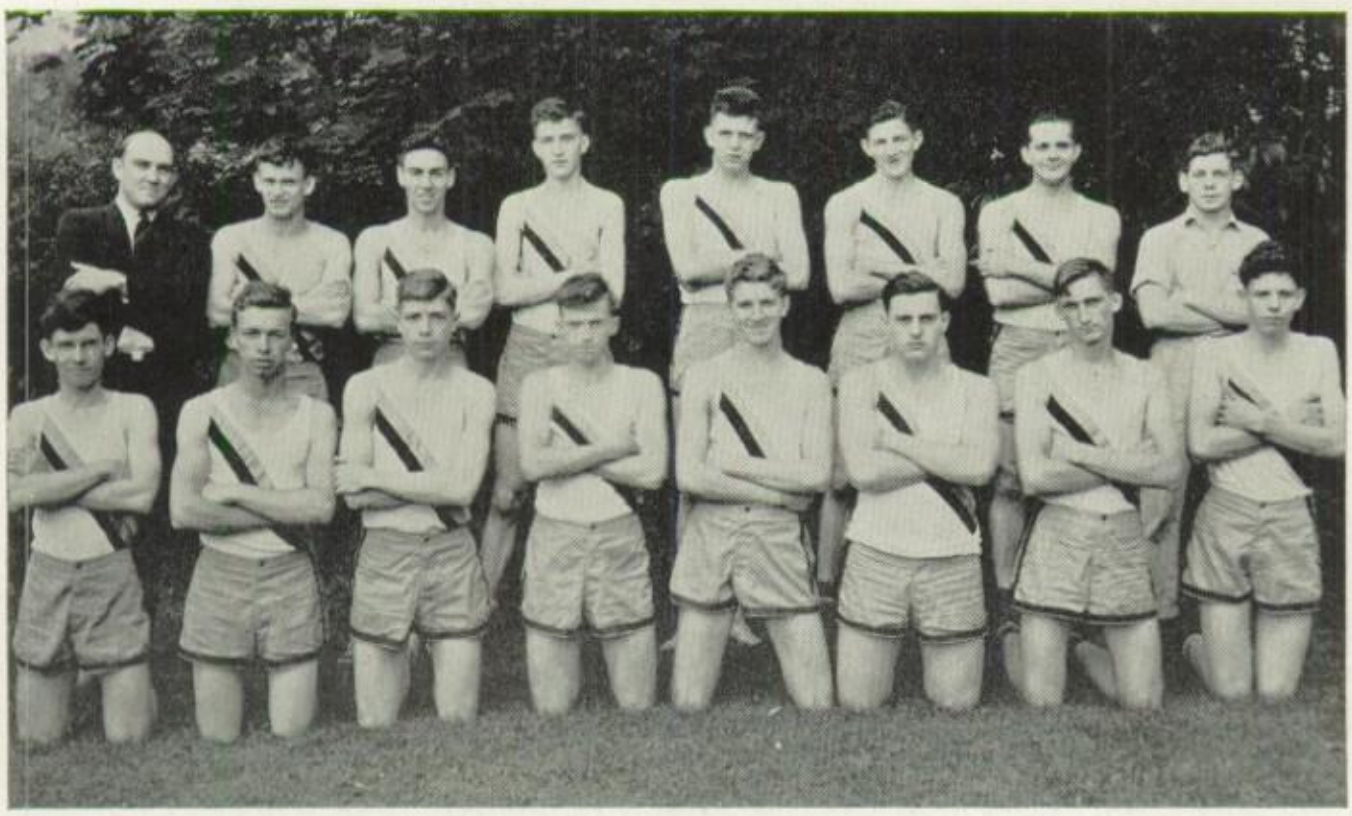
The Tyrone squad was one of five school squads making up an interscholastic tennis league in this vicinity. Along with Tyrone, Bedford, Hollidaysburg, Roaring Spring, and Williamsburg were the other schools which constituted the makeup of the league.

During the season, the Eagles won three games, defeating Bedford twice, and Hollidaysburg once. Five games were dropped by the Orange club in the league contests. Coach Shollenberger and his squad ended their league campaign in third place. Roaring Spring won the tennis title in 1941.

America's entry into the second World War caused the league to disband for the duration of the conflict on account of conservation of materials. This explains why there was no tennis league this spring.

TRACK

Coach Paul Aurand's 1941 track team opened its season, on April 10, with the Hollidaysburg "tracksters" at the Athletic Park. In this meet, the Tigers' defeated the Eagles . . . Their next meet was held at Shippensburg, on April 19, where the Orangemen won third-place honors. Bob Igou, captain of the 1941 team, captured the 220-yard dash event, and Bob Snyder won a first-place tie in the pole vaulting . . . Tyrone's Orange "tracksters" next captured the Triangular Meet at Bellwood, on April 23, in which the Altoona Junior Varsity and Bellwood also competed . . . Bellwood's Invitation Meet Trophy was awarded to the Eagle trackmen on April 26, for the second consecutive year. Contestants of fifteen schools attended. Tyrone broke two track records when Igou sprinted off the 220-yard dash in 23.2 seconds and the half-mile relay teams finished in 1 minute 37.8 seconds . . . State College's Little Lions offered small opposition on April 29, at the Athletic Park, as the Eagles notched six first-place positions, along with a number of second and third-place holdings, to win easily . . . Our 880-yard relay team and the shuttle relay team each placed second at the Coaches Meet at Altoona, on May 3, while Fisher placed third in the javelin event . . . Coach Aurand's squad captured second place in the Mountain High Meet held at State College, on May 9. Hollidaysburg won first place, while Lock Haven was a very close third . . . Clearfield's track team failed to match the Eagles, as Tyrone "copped" the meet at Clearfield, on May 14, by a 64-41 score. "Jr." Thal won both the mile and one-half mile runs as the Eagles closed their dual meet season . . . Tyrone came in third at the District 6 Meet at Altoona, on May 17, as "Rabbit" Igou and the 880-yard relay team won first-place awards . . . Coach Aurand entered his 880-yard relay team, which was composed of Igou, Conway, Myers, and Snyder, in the State Meet held at State College, on May 24. The team won third place . . . Thus ended the Eagles' very successful track season.



First row: Robert Stryker, Francis Thal, George Myers, Charles Glenn, James Glenn, Karl Miles, Albert Price, William Smith.

COMPLIMENTS OF THE TYRONE MINISTERIUM

"Four things a man must learn to do
If he would make his record true,
To think without confusion clearly:
To love his fellowmen sincerely;
To act from honest motives purely;
To trust in God and heaven securely."

Henry Van Dyke.

A Store Is Not A Place...

IT'S PEOPLE

What constitutes a store—bricks and mortar and fine equipment? No. These only provide a place for people; a place for you and our customer-friends... and a place for hundreds of Altoonans, Gable associates, who enjoy "waiting on you." STORES have certain definite personalities, certain characteristics, certain ideals by which their course is charted... the traits of a store are those of its associates and friends—of people. A STORE is part of the lives and hopes of people. It is this thought that we have kept before us at all times, always making Gable's with the tenets of high business ideals, and holding it in place by honesty of purpose and integrity in all business dealings. This store has come down through the generations from its founder... the late William Francis Gable.
